Rule 29(2)(b) of the Land Surveyors Rules 2000 states that "except where the Board for special reason directs otherwise in respect of any particular person, the candidate who is taking the Board examinations for the purpose of section 12(1)(b) of the Land Surveyors Act, is required to pass all the subjects within 7 years from the date he first applied to sit for any subject in the further examination, irrespective of whether such application was made under the these Rules or the Land Surveyors Rules (R1) revoked by these Rules."

- 2 The Board has decided that a candidate who has obtained passes in some of the examination subjects conducted by the Board prior to the operation of the Land Surveyors (Amendment) Act on 1.3.2000 but has yet to pass the other subjects, is required to pass the remaining subjects within **5** years from 1.8.2002.
